

PLAN

VBCPS Plan for Continuous Improvement

Review and Analysis of Results

School: Floyd E. Kellam High School

DATE: 10/31/08

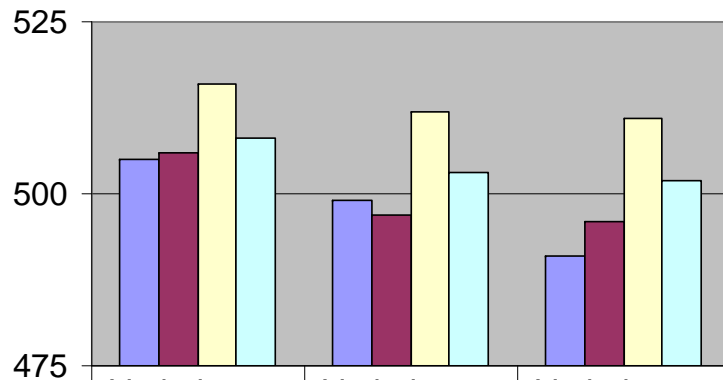

Review

(Objective data, qualitative indicators, trends and comparisons)

Analysis

(Identify gaps and list priorities)

Average Critical Reading Score

	Verbal 2005	Verbal 2006	Verbal 2007
Kellam	505	499	491
Virginia Beach	506	497	496
Virginia	516	512	511
USA	508	503	502

Kellam's 2007 average SAT critical reading score is below the division, the state and national average. Kellam has implemented an SAT Prep class, Reading for the College Bound, for this school year.

Priority: To raise the average scores to the meet or exceed the 2007 state level of 511.

Priority: To increase enrollment in Reading for the College Bound class.
